

Dear Friends of Westchester Reform Temple,

We are pleased to inform you of a new and exciting Membership initiative at Westchester Reform Temple! This initiative, the Connections Membership, is available for families whose eldest child is enrolled in Kindergarten, First Grade or Second Grade as of September 2021, as well as for families whose eldest child is preschool age or younger.

In order to present the most thorough and thoughtful options to our families with young children, we convened a task force, which spent months holding focus groups, gathering community feedback and learning about congregations around the country that are working to engage families with young children. Through our task force work, WRT is now offering the Connections Membership for families, without the traditional annual Membership contribution, until your eldest child is in Third Grade. We believe that the Connections Membership will allow many more families to be engaged with and connected to WRT's vibrant and dynamic community.

There is also a new, non-Membership option for families that simply want to send their children to religious school (Jewish Learning Lab - JLL) in Grades K-2 without joining WRT.

For more information on how the Connections Membership applies to you, please select the link below that corresponds to the grade your eldest child will be entering this coming fall:

[- First or Second Grade](#)

[- Non-Membership JLL Option for K-2](#)

Please contact WRT's Executive Director Eli Kornreich at Eli.Kornreich@wrtemple.org with any questions, or to begin your WRT Membership.

Thank you, and we hope that all of you stay connected to WRT through our new Connections Membership!

Best wishes,

Dara Gruenberg & Erika Rublin
